Welcome to MUP 2022!

LMB welcomes you to the beauty, cultures and peoples that make Michigan a unique place. Your registration fee and purchases provide the funds to power our work in Michigan: advocating, educating and promoting the power of the bicycle in communities around the state while acting as a voice for bicyclists in Michigan government.

Before we get into the details, a few quick reminders on how to make the most of this week:

- Be a bicycling ambassador, pay it forward. Help represent bicycling in a safe, positive way by being polite, signaling, staying to the right and yielding. Remember, our actions create the perceptions towards the next bicyclist.
- Rough it this week. Don't bring the good stuff for camp. Bring fewer clothes. You will get dirty 5 minutes after taking a shower. You will drop mustard on the fresh shirt you just put on. It's ok, we are all in the same place. Relax, ride your bike, breathe deep, and enjoy the week. Besides, if you run out of clothes, you can always buy a new LMB t-shirt!
- Embrace simplicity. Keep the delicate and fragile things, including most electronics, at home. Bring a phone, a camera and the curiosity and wonder of a child.

Our bike tours are made possible by the experience, dedication, hard work and generosity of our volunteers. When you see a person loading luggage, driving a SAG wagon, helping a rider on the side of the road, sanitizing a table, pouring your water, and handing you a snack, thank them for volunteering. They make it possible for you to experience a well-organized camp, easily find your way to the showers, enjoy an ice-cold beverage, and even go through the ritual of sanitizing your hands before entering a food area. Volunteers are the backbone of LMB tours and we are grateful for them. They ask only that you be kind and enjoy your time on the tour.

If you find yourself having a great time and wishing your friends and family could come with you, then please find a volunteer and thank them with all your heart. If you find something lacking, find me and let me know.

If after reading this handbook you still have questions, reach out to us at tours@lmb.org.

On behalf of everyone, thank you for riding with us on MUP.

Sincerely,
Neal Glazebrook
LMB Events Director

CHECK-IN

Upon arrival, follow the directional signs to our Registration Table. Present your picture ID and our volunteers will provide you with your packet, bike plate, wrist band, and luggage bands.

Please attach the wrist band to your **LEFT wrist** at the registration table. **Your wristband** is your meal ticket and admission to SAG stops, SAG wagons, reception, camping, showers and other facilities. Your bike plate identifies you on the road as part of the tour and is your bike's link to you when separated for SAG or other reasons. Your luggage tags link them to you and are their ticket for transportation to the next overnight. Please make sure to attach your bike plate to your handlebars or behind your seat/bike bag, and your luggage tags to an upright handle on each bag. If you lose your wrist, bike or luggage tags during the week, the service desk can provide a replacement. You can also find schedules, messages and cue sheets at the service desk.

Inside your packet will be any beer/wine tickets, pre-purchased VIP excursions, tastings, and punch cards. Please treat these like cash as we won't be able to replace any lost tickets or punch cards.

If you pre-purchased Comfy Campers Tent service, after checking in for the tour, please take your bags to Comfy's tent service area and check in with them.

If you shipped or dropped off your bike to the LMB office, please review the [Bicycle Transport](#) section of this handbook for more information.

Superior Dome - 1401 Presque Isle Ave, Marquette, MI 49855.

Check-in is:

Saturday, July 9th from 2:00 - 7:00 pm. Please bring your Photo ID and proof of vaccination to check-in. See more about this requirement below.

- Rider Orientation begins at 6 pm in the Superior Dome.
- The MUP Welcome Reception will be held on Saturday from 7:30 – 9:00 pm. The reception will consist of beverages and light appetizers.
- The first meal is breakfast on Sunday, 6:30 – 8:00 am.

Unless otherwise indicated, the tour will run on Eastern Time.

VACCINATION PROOF

Q: How do I show proof of vaccination at registration?

A: For showing proof at registration, the following items will be required.

Photo ID and at least one of the following:

- Vaccination Card
- App with Proof of Vaccination
- Photocopy of vaccination card
- Photo of vaccination card
- Official email from healthcare provider containing vaccination status

MASKING

If Michigan COVID community risk levels are high, as defined by the CDC, all participants, staff, volunteers, and vendors may be required to wear a high-quality N95, KN95 or KF94 mask. As of June 22, 2022, Michigan's risk level is low.

Masks will be required **indoors, in SAG vehicles, during registration, on buses/shuttles, or when in close proximity to others, such as at check-in or in food service lines, except during meals or showers.** One mask will be provided in your rider packet.

COVID TESTING

All participants, staff, and volunteers are strongly encouraged to take a COVID test prior to the event. If during the tour, a rider experiences COVID-like symptoms or has been known to be exposed to someone with COVID-19, those individuals must wear a mask, and must test for COVID-19 using rapid antigen tests available from the LMB. Individuals who test positive during the tour will be asked to leave the tour and will forfeit any monies paid for the event.

In addition, individuals who test positive for test for COVID-19 within five days of the tour are not permitted to attend the tour, regardless of symptoms. See more information later in this guide about cancellations, should this occur.

PRE-RIDE

For those wishing to stretch their legs before the tour starts, we have mapped 3 routes for your enjoyment.

- [6.4 Mile Presque Isle Loop Route](#)
- [12.8 Mile Downtown Loop Route](#)
- [34.2 Mile Iron Ore Trail Loop Route](#)

Note that the routes are not marked but cue sheets are available at registration the links above will take you to RidewithGPS for digital maps and turn by turn directions.

"Summer, 1891. Fredrick Law Olmsted, a landscape architect most famous for his role in designing

New York City's Central Park visits Marquette to work on a design project. To make the most of his visit, the city also directs him to a large peninsula just north of town in hopes of designing a management plan to turn it into a suitable park. Upon touring the land he gives the city relatively straight-forward advice that can be summed up in three words:

Don't touch it.

Presque Isle Park is one of the most visited sites in Marquette County for good reason. With ease of access, this 323-acre forested peninsula extends into the water offering visitors unmatched views of Lake Superior.” – Travel Marquette

ARRIVING BY AIR

We do not provide a shuttle to and from airports. Check with individual airports regarding ground transportation options.

International air service is available into the Sawyer International Airport (MQT) near Marquette, MI (sawyerairport.com). The airport is approximately 18 miles from the Superior Dome in Marquette. Many airlines have reduced the bike fee to that of an additional bag, so do a little research if you choose to do this.

Shipping directly to LMB is available. Please review our Bicycle Shipping and Transport page [here](#) for details on how to prepare your bike for shipping. We try to be as careful as possible, but we are not responsible for damage during transport by our trucks or SAG.

Alternatively, **you may ship your bicycle to Sports Rack** in Marquette. Contact Evan at **(906) 225-1766** for details.

ARRIVING BY VEHICLE & PARKING

For your convenience we've made long term parking arrangements near the charter bus pick up area at the start in Marquette. Please note, we can only provide parking for one motor vehicle per rider. Unfortunately, we cannot provide space for trailered possessions. Participants must submit their long term parking registration at check in. Please **ONLY** park in designated areas! Unregistered vehicles and those parked outside of the designated areas may be towed. If you are unsure where the designated parking area is, please check with tour volunteers at the check-in desk.

Parking lots are unsecured areas. Even though we have arranged with local law enforcement to patrol regularly, it is not advisable to leave valuables in your car.

- Marquette long term parking - 7-Day Rider long term parking will be permitted in the designated Superior Dome parking lot. Superior Dome, 1401 Presque Isle Ave, Marquette, MI 49855

LODGING INFORMATION

Registration includes camping space, shower and toilet facilities, luggage transportation to the campsite, breakfast and dinner service, greenspace, shade canopy, indoor shelters, charging stations for electronics and e-bikes, SAG shuttle drop-off and pick-up, riders meetings, mechanic and service desk.

CAMPING

Campsites vary from schools and campgrounds, to fairgrounds and parks. **Neither bikes nor cycling shoes are permitted in any school, as they can damage the floors.**

Alcohol, drugs, firearms, and tobacco are prohibited on school grounds by Michigan law. We will comply with this law to ensure our continued use of these facilities.

Quiet Time: 10:00 pm to 6:00 am. Please respect your fellow tour mates and their rest. During Quiet Time hours please treat the camping area like a library. Vehicles and walkers, do not shine your lights onto tents, put up/take down tents, deflate mattresses, pack luggage, rustle plastic bags, bang port-a-john doors, or run in the camp area. Please report any disturbances to a staff member.

Indoor camping is not allowed with the exception of severe storms, all facilities will permit use of indoor space for shelter.

VIP Tent Services

Love to tour but hate setting up the tent? Maybe you just don't want to own all that camping gear or prefer to have a service provide and set up your tent and mattress each day!

If this sounds good to you, **Comfy Campers** offers tent services to all riders, with optional daily fresh towel and folding chair. For fees and more information visit <http://comfycampers.info/>. LMB assumes no responsibilities in connection with these services.

CAMPSITE LOCATIONS:

Marquette: Superior Dome, 1401 Presque Isle Ave, Marquette, MI 49855

Munising: Munising Public Schools, 810 Highway M-28 West, Munising, MI 49862

Manistique: Schoolcraft County Fairgrounds, Lake St., Manistique, MI 49854

Chatham: Alger County Fairgrounds, Marquette St, Chatham, MI 49816

HOTEL SERVICES:

Please note that hotels are not available in every town. Participants who prefer to overnight in hotels can choose one of the following options:

LMB Bike Commute Service - Don't want to stay at the designated hotel? Don't need ALL your gear with you at night? Then Bike Commute Service is the right choice. LMB stores your bags at camp, you stop by to pick up the things you need and then bike commute to your overnight lodging. The next morning, commute back into camp and reunite with your gear before heading out for the day.
PLEASE NOTE: LMB is not responsible for lost or stolen items left at camp.

Hotel lodging may not be available in every town. If you plan to stay in hotels, motels or B&Bs, be sure to book early. LMB transports luggage, not people to the designated hotels. For more information, contact:

LUGGAGE & LUGGAGE TRANSPORT

LUGGAGE REQUIREMENTS:

Personal luggage - 2 duffle bags weighing less than 35 pounds each are included with your registration fee. Additional bag allowance may be purchased for \$35 each. Bags may be weighed, those exceeding 35 pounds will be tagged for special handling and owners will be charged a \$35 over limit fee per over limit bag. Please attach your luggage tags upon arrival.

Please do not bring suitcases as they tend to be less durable and become badly damaged. We recommend duffle bags. Do not attach items to your luggage. Bungee cords and other sharp objects may be dangerous to the generous volunteers unloading and loading the luggage each day. All items must be transported inside your luggage. Loose items found in the luggage trucks including shopping bags, trash bags, cardboard boxes, chairs, umbrellas, helmets, bike bags, groceries and any other item not inside your luggage or attached to your bicycle will be placed into the lost and found bins located by the service desk.

Remember, there will be times when your luggage is at the bottom of the pile. Please do not pack fragile or delicate items. If you purchase items during the tour, please have them shipped home. We are not responsible for damage to luggage or contents.

Weather advice, this is Michigan and it occasionally rains, it is possible your gear could get wet. We suggest stowing your essentials inside plastic bags within your luggage or invest in waterproof bags. While most days are balmy in the low 80's, it can also fall into the 50's or climb into the upper 90's with high humidity. Please review the packing list for suggestions.

LOADING:

Trucks will be available for loading at 6:30 am each morning. Riders are responsible for ensuring their luggage is loaded on the truck. Please take your bag as far forward as possible and stack it as high as the staff directs you. All bags must be loaded by 9:00 am when gear trucks depart. If you miss the truck, congratulations on becoming a loaded touring bicyclist until reaching the next campsite. Never leave your luggage outside a locked truck.

UNLOADING:

The trucks will be available for unloading as soon as they arrive at the campsite. All unloaded bags will be arranged on the ground during this process. Luggage identification tags will be provided at check-in. You may want to mark your bags distinctively to help you locate them (bright ribbons, pom-poms). We want to thank in advance all riders who are willing to help each day!

BICYCLES and TRANSPORT

You can ride any human-powered cycle in good mechanical condition on MUP. This includes trikes, recumbents, tandems, unicycles, and of course e-bikes. Mountain, hybrid, cyclocross, road and gravel bikes will have a blast on the standard route. **LMB provides a professional mechanic for the entire tour.** Minor adjustments are free. Any repairs, parts, assembly, disassembly, and shipping will incur a fee. Our SAG service is designed to transport all the above-named cycles!

To create a safe and scenic tour, MUP will at times avoid a paved road and travel along unpaved trails and country roads. To best traverse the standard route on a road bike or touring bike, we recommend fitting the widest possible puncture resistant tires. Road bikes with 23c-28c tires will do fine on the route but may have to work a little harder on unpaved sections. Any optional routes or loops labeled "Gravel" can have long sandy sections and are best attempted with a 37c or wider tire that has a tread or knobby surface.

BICYCLE SHIPPING

If you are traveling by car, please do not ship your bike. If you are traveling by air, please review your bike transport options.

Option 1 (easiest and cheapest) - Travel with your bike. Many airlines (Alaska, Delta, American, and Southwest have the highest ratings by *Bicycling Magazine*), have reduced the bike fee to that of an additional bag, so do a little research to see which airlines provide the best rates for your cycle.

Option 2 (second easiest) - Ship your bike directly to LMB (410 S. Cedar St. Suite A, Lansing, MI. 48912) using a carrier that provides tracking. Make sure it arrives before Wednesday the week before the tour. [Click here](#) for details on how to prepare your bike for truck transport or shipping. Contact LMB **(517) 334-9100** or tours@lmb.org for pricing, details and planning for your bike.

BICYCLE PICKUP AND ASSEMBLY

All participants, please plan accordingly to have your bicycle ready for Day 1.

- If you are using Sports Rack Bike Shop, they close at 4 pm on Saturday and are closed on Sunday. Please plan your pick-up and assembly accordingly with Sports Rack. You are responsible for transportation to pick up your bike.
- Bicycles shipped to the LMB office can pick up their still boxed bike at check-in.
- Participants who require a mechanic to assemble or adjust their bike should contact LMB **(517) 334-9100** or tours@lmb.org prior to the tour for pricing, details and planning.
- The LMB mechanic will assemble bicycles on Saturday for those who have made prior arrangements with LMB as quickly as possible. Due to the high volume of bicycles your bike may not be ready until late Saturday evening.

- Cardboard bike boxes and packing materials will be discarded upon arrival. If you would like to save your cardboard bike box for use after the tour, contact LMB prior to the tour at tours@lmb.org.

END OF TOUR BICYCLE DROP OFF

All participants, please plan accordingly to get your bicycle home.

- Sports Rack Bicycle Shop closes at 4 pm on Saturday and is closed on Sunday. Please plan your drop-off and shipping accordingly with Quick Stop.
- If you have a Saturday flight out, LMB recommends boxing your own bike for departure.
- The LMB mechanic will be on the tour route and not available until later in the afternoon. They will not be able to assist you prior to 2 PM. Please plan accordingly.
- Participants who wish to have the LMB mechanic box and ship their bikes home should make any arrangements directly with the mechanic.
- [Click here](#) for details on shipping your bike to and from the tour.

SAG TRANSPORT

Riders who SAG the entire day – their bikes will be transported inside the gear truck. Bikes will be hung by the wheels and separated from each other. Oversized cycles will be stored on the floor. When submitting your bike for transport in the morning, you will be given a claim ticket. Gear trailers are kept locked when not attended by an LMB staff person. Please present the claim ticket to LMB staff in order to retrieve your bike.

Riders picked up by SAG on the route – bikes will be transported by SAG crew. Riders who are picked up on the route will have their bikes transported by a traditional vehicle mounted bike rack. Cycles that do not fit a rack will be held and transported by our SAG Shuttle in an open trailer.

RIDER MEETINGS

Orientation Meeting – There will be an **MANDATORY** orientation meeting for all riders on **Saturday at 6 pm** in the Superior Dome. We will cover any route and event changes along with tour guidelines. All riders are urged to attend this meeting.

Daily Route Briefings – Daily briefings will be held each night at 6:30, we will not meet on the layover day on Wednesday, in the main dining area. Meetings will provide detailed information about the next day's route, any changes, things to see, history of the area, etc.

MEALS & SNACKS

Registration includes meals EVERY RIDING DAY! We will not have meals on the layover day on Wednesday. At registration, you will be issued a wristband which will be your ticket to all

provided meals. These must be worn on your left wrist. You'll enjoy professionally catered breakfasts and dinners with options for vegetarian, vegan and gluten-free lifestyles. Meals vary and you'll always find a few staples offered each day. For breakfast you'll always be able to find oatmeal, yogurt, granola, fresh fruit and cereal in addition to various hot dishes. During dinner you'll always be able to find fresh salads, fruit, bread, peanut and almond butter, along with hot entrees, side dishes and dessert. All meals are served in camp except where noted in the itinerary.

Meals are served cafeteria style. All participants will enter the food service area via a sanitation station where you will be required to use hand sanitizer prior to entering the serving line. Participants will indicate their food and drink selections, and servers will place those selections onto plates and trays. At the end of the serving line, participants may take their food and have access to individually wrapped self-serve items. To provide adequate space, there will be additional outdoor seating available.

LMB provides meals as noted in the schedule below. These meals are designed to meet the calorie needs on tour. Unfortunately, because of the nature of food prep we cannot assure individuals with food allergies that any meal will not elicit an allergy response.

On Wednesday, the layover day in Munising, you are on your own for all meals. Part of the fun on tour is finding some of the many charming restaurants and markets along the route to provide additional meals, and fulfill any cravings. Available for sale at the service desk are individually wrapped snacks and cold drinks. At times, approved vendors will come onto the campsite with a limited offering.

Schedule

Breakfast is served from 6:30 – 8:00 am, with coffee available at 6:15 am.

Dinner is served from 5:00 – 7:00 pm, unless otherwise noted.

LMB will provide the following meals:

- Saturday – Reception with light appetizers only
- Sunday – Breakfast & Dinner
- Monday – Breakfast & Dinner
- Tuesday – Breakfast & Dinner
- Wednesday – on your own
- Thursday – Breakfast & Dinner
- Friday – Breakfast & Dinner
- Saturday – Breakfast & Lunch

Snacks:

Riding your bike means burning lots of calories. To help satisfy that craving, you can find a variety of snacks and cold beverages for just a buck or two at the service desk from 2 – 9 pm. Snacks are individually wrapped and include deluxe nuts, a variety of salty snacks, Nutella, fresh fruit, boxed cereals, and an assortment of cookies. Cold beverages include chocolate milk, assorted canned sodas, energy drinks, live and still water. Profits from our snack and beverage service help to fund our community grant program and scholarship program.

Pop-up Food Vendors

Keep an eye or nose out for the occasional pop-up food vendor that may show up in camp. Possibilities include pie, burgers, tacos, pizza, snow cones, and other surprises!

For health reasons, you will be required to use hand sanitizer before entering any food service area. Remember that there are animals that would love any food that you might leave in your tent. Please plan accordingly.

ROUTE MAPS & CUE SHEETS

All routes are available online as electronic files, maps and cue sheets at: They can be downloaded in various formats including FIT Course, TCX Course, GPX Track, GPX Route, and CSV. Electronic route files are available prior to the start of the tour and updated constantly. LMB recommends downloading map files as close to your departure as possible.

Paper cue sheets are available online prior to the tour, each evening at the Rider Meeting and afterwards at the Service Desk until 9 am. We no longer provide paper route maps.

RIDE W/ GPS FREE ACCESS FOR THE TOUR

LMB is excited to include access to the RWGPS event platform with this year's registration. This will be where the GPX ride files will live for MUP. In addition to FREE access to the platform, the software comes with turn-by-turn navigation as part of the free access. This means you can have your phone telling you which way to go.

We know this will not be for everyone. If you still like running the route on your own bike computer, you can pull the files from this portal and load them to your device. You will also have a Cue Sheet print out in your registration packet for each route, and you can print a cue sheet at home right from the RWGPS platform. We are moving away from paper maps and map books. This service will allow us all the same functionality without the waste that comes with printing things for an annual event.

To access the RWGPS portal and unlock all the features, you can use your personal RWGPS account and click on the link below to pull the routes and use the turn-by-turn navigation on your phone. These files will also work on your bike computer of choice. For more information

on how to use RWGPS, please visit the links below. We will walk through RWGPS during the rider meetings.

<https://ridewithgps.com/help/mobile/>

<https://ridewithgps.com/help/>

All routes can be found here on the RWGPS platform.

https://ridewithgps.com/auto_approve/Event/171420/Q99VOzPw0cvhbQg1

ROUTE MARKINGS

Cue sheets will be provided at check-in and each evening at the Rider Meeting. When local ordinance allows, the primary route for each day will be marked with “Dan Henry” arrows on the pavement. If possible, any deviation will be posted at the Service Desk, and discussed the night before at the Rider Meeting. “Day of” changes will be made via the text alert system and posting a volunteer at the detour.

Optional routes will not usually be marked, but cue sheets will be provided. Gravel routes will use turn pins to mark turns. Please refer to your cue sheet for directions.

SAG SUPPORT

LMB thinks of SAG as the "Support Assistance Group." The route opens and SAG service begins at 7:00 am and ends at 4:30 pm unless stated otherwise in the itinerary or at the Rider Meeting. When the route closes, all riders remaining on the route will be offered the opportunity to SAG into the campsite. Riders who refuse SAG and remain on the route acknowledge they are riding after-hours and without tour support. LMB retains the right to move riders ahead who are unreasonably far behind during appointed course hours.

SAG service includes mobile SAG wagons, stationary SAG stops, SAG shuttles, and Sweep. SAG vehicles are marked with LMB flags and magnetic LMB signs. If a friend or family member is interested in volunteering as a SAG, please contact the LMB office at (517) 334-9100. This is a great way for non-cycling family and friends to provide a valuable service during the day and joining you in the evening.

The SAG Coordinator is the beneficial monarch on the tour route and SAG staff act as their lieutenants. These individuals work to provide riders a safe and well supported route. If you are given directions by the SAG Coordinator or SAG Staff, please follow them. SAG Coordinators have the capacity to remove any participant from the route for health and safety reasons.

CONTACTING THE SAG COORDINATOR:

At orientation, participants are provided with the SAG Coordinator’s phone number. **IF AT ANY TIME ON THE ROUTE YOU ARE CONCERNED FOR YOUR HEALTH OR SAFETY, CALL THE SAG COORDINATOR IMMEDIATELY.** Call the SAG Coordinator In the event of a medical or safety emergency. Where cell phone coverage is weak, text messages may be more successful than calls. If you cannot call or text, ask a local business to use their phone for an emergency.

In a non-emergency situation like a flat tire or other mechanical issue, flag down a passing SAG wagon. If a SAG wagon has just recently passed, call the SAG Coordinator to request a SAG wagon.

SAG STOPS:

Thank you for supporting the many towns, farmer stands and shops along the route that can provide food and beverages. SAG Stops are rest stops located on route and identified with LMB signage. They are stocked with water, electrolytes, light snacks, basic tools, floor pumps, and close to restrooms or porta potties. Our daily Super SAG Stop will also have a generator to provide e-bike charging.

- All Participants entering a SAG Stop must remove gloves and sanitize their hands. SAG staff will serve riders cafeteria style and pass out requested snacks and fill water bottles. Please do not touch anything at the SAG table.
- Distance between SAG stops is determined by the route and average 15-18 miles.
- SAG Stops have staggered operating times to provide service to the majority of participants. LMB understands that most riders are enjoying their vacation and may often deviate from the route and take considerable time to complete the day. Hours are based on an average speed of 10 miles an hour. Any changes to SAG Stop hours will be announced in the Rider Meeting.
 - SAG Stop 1 7:00 am – 10:30 am
 - SAG Stop 2 7:30 am – Noon
 - SAG Stop 3 8:30 am – 3 pm
 - SAG Stop 4 10:00 am – 4:00 pm
 - SAG service ends at 4:30 pm
- PLEASE BE RESPECTFUL, DO NOT LEAN YOUR BICYCLE ON SAG VEHICLES!

SAG WAGONS

Provide aid to all riders on the tour who are experiencing physical or mechanical issues and cannot reach a SAG stop. They also transport riders who have non-emergency medical issues. Thank you for not asking SAG Wagons to transport you for personal needs.

SAG Wagons

- Only operate on the marked route. They may be moving along the route or stationed on the side of the road to provide rapid response.
- Carry water, basic tools, floor pump and some first aid supplies, but do not carry food.
- Transport bikes and riders to mechanics, SAG stops, or to a medical facility. They do not go to camp until the route closes.
- Bike racks may not accommodate some cycles. In this situation the cycle will be transported by the SAG shuttle. Riders can choose to wait for the shuttle if they prefer.
- Will not transport minors unless accompanied by their parent or legal guardian.

To stop a SAG wagon, tap the top of your helmet vigorously. The driver will move ahead and pull over to assist. At orientation, riders will be provided with the SAG Coordinator phone number to call in the event of getting lost, mechanical or physical breakdown, or emergency. To call for a SAG wagon, call the number provided during orientation. PLEASE DO NOT LEAN YOUR BICYCLE ON SAG VEHICLES!

SAG SHUTTLE

The SAG shuttle tows an open utility trailer equipped to transport cycles. It exclusively operates to pick up riders and cycles along the route or from SAG stops and deliver them to the overnight location.

The SAG shuttle also transports riders who are taking a Zero day to the next camp on it's first pass along the route. Since the shuttle is active on the route supporting riders, please do not ask the driver to transport you to another location. Depending on demand, not all riders seeking a Zero day may have access to the shuttle.

Individuals who are unable to complete the duration of the tour due to illness or injury will be transported to Marquette on the day they are unable to continue to tour. Due to space and volunteer limitations, those individuals cannot use the SAG shuttle for the duration of the

LMB/LCI ENVOY

LMB Envoys are volunteers who ride each day to educate and help riders ride safely while also assisting those who need pacing, moral support, or help contacting SAG. These individuals are certified by LMB and the League of American Bicyclists, have strong riding skills, and are able to provide help. Envoys are identified by their bike plate and vest. They also provide safety training at Rider Meetings and conduct a skills test to our scholarship riders.

If a friend or family member is interested in volunteering as a SAG, please contact the LMB office at (517) 334-9100. This is a great way for friends and family to join you at camp, while providing a valuable service during the day. Please note that they will be required to complete LCI training if not already certified.

PRIVATE SAGS:

Riders may choose to be supported by a private SAG - a friend/family member who exclusively assists them as needed. Private SAGs are considered participants and should register for the tour as a **non-rider**. At check-in private SAGs will be given non-rider packet, wrist band, luggage bands, tour t-shirt, additional instructions, a vehicle pass to park at overnights, route maps, safety information, vehicle routes, and access points to safely enter or exit the bicycle route. Private SAG is also a great way for friends and family to join you while not being obligated all day to support the entire tour.

OTHER TOUR ESSENTIALS

PREPARING FOR THE TOUR:

- **Prepare your body** – RIDE! The tour is much more enjoyable if you have been practicing and your body is adapted to spending 6 hours on the saddle. Body contact points need hours on the bike to adapt.
- Riders must be able to ride 50-80 miles a day, for 7 days. The terrain can be hilly. Your average speed INCLUDING stops should be greater than 10 mph.
- Riders must carry a tire repair kit (spare tube, patches, tire levers, pump or CO2 cartridge) and be able to change a flat tire. SAG will not conduct repairs.
- Riders must have at least one water bottle (preferably two).
- **Prepare your bike** – Have your bike serviced by an experienced mechanic prior to arriving. The most common repairs are loose bolts, worn or broken pads and cables, dirty or worn chain, and mis-aligned derailleurs. Make sure that you have “broken in” any new bike or parts.

PACKING LIST

A list of required and recommended items can be found at the LMB website. Follow this link.

<https://www.lmb.org/packing-list/>

SERVICE DESK

The service desk is the closest thing we have to a tour oracle. It’s where you can find answers to tour questions, leave or get a message, see the daily itinerary, buy snacks and ice cold drinks, replace lost wristbands, get cue sheets, buy merchandise, make next day SAG shuttle reservations, find lost and found items and general info on so much more.

LOST AND FOUND:

We will maintain a lost and found box throughout the tour, which is kept at the service desk. If you believe you left something behind after the tour, contact the LMB office at (517) 334-9100.

JERSEYS, T-SHIRTS AND OTHER MERCHANDISE:

LMB merchandise including classic and current t-shirts, jerseys and other LMB merchandise will be on sale at the service desk throughout the tour. Only merchandise authorized by LMB may be sold on tour. You can also find a full assortment of jerseys, t-shirts, stickers and other LMB swag at the LMB Store.

A standard cotton tour T-shirt is included with all registrations. Upgrade to a moisture management performance fabric T-shirt for \$20. You can also purchase them before and after Shoreline West through the LMB Store.

SAFETY

LMB ADVOCATES FOR BICYCLE SAFETY

LMB works every day in Michigan to increase bicyclist safety. We accomplish this through Advocacy, Education and Community. Legislation takes years to accomplish. Some of our recent success include:

- Currently we are working on several initiatives including distracted driving legislation and “Idaho Stops”. Every year we produce and distribute the “Michigan Ride Calendar”, “What Every Michigan Bicyclist Should Know” and “What Every Young Michigan Bicyclist Must Know”.
- 2020 Bikes May Use Full Lane. While Michigan Law allows bicyclists the equal right to use the road, the “Share the Road” sign was confusing.
- 2019 Drivers education courses must include information concerning bicycles and other vulnerable roadway users. Grants to community organizations Norte, Carver Camp, Armory Bike Union, Portland Raider Riders.
- 2018 Obstructed license law clarified to exclude bicycle racks. Grants to Bike Dearborn, Common Cycle, Upshift Detroit, MiSCA, Lansing Bike Cooperative.
- 2017 Passage of Safe Passing Law requiring drivers to give a minimum of 3-feet of room while passing a bicyclist.
- Grants to community organizations working to make their communities safer for bicyclists including Youth Ride Club, Greater Grand Rapids Bicycle Coalition, Lansing Bike Co-Op, PEAC, Tart Trails Bicycle Recycle, Pedal Holland.

CONTACTING THE SAG COORDINATOR:

At the orientation meeting, participants are provided with a phone number to call in the event of a breakdown or other emergency.

MICHIGAN VEHICLE CODE

All participants are responsible for knowing and obeying Michigan Vehicle Code traffic laws. Every participant is provided a copy of LMB’s “*What Every Michigan Bicyclist Must Know*” handbook which includes information about obeying Michigan traffic laws, it is not a substitute for the complete Michigan Vehicle Code.

HELMETS:

Helmets are required for all riders. You must wear your helmet whenever you are riding your bicycle. Repeated violation will result in your ejection from the tour.

MINORS:

Minors are welcome on the tour. A legally responsible parent or adult guardian must accompany a minor at all times during the tour, including campsites and transport in SAG wagons. The legal parents or guardian must complete the LMB waiver form and identify the responsible adult if

not themselves and the minor. Like all participants, minors must be able to complete the daily course.

Under Michigan Vehicle Code, children must be properly buckled in a car seat or booster seat until they are 8 years old or 4-feet-9-inches tall. Children must ride in a seat until they reach the age requirement or the height requirement, whichever comes first. If you are bringing a child that fits these criteria, please contact our office. We will make additional arrangements for a car seat should you and your child need to be transported by SAG drivers.

BIKE PLATE:

Bike Plates will be provided at check-in. It is required that you attach it to either the back of your bicycle or riding jersey. The bike plate must be plainly visible at all times. Plates are your bikes ticket for LMB provided transportation and help us identify our riders and facilitate communication among riders and volunteers. They are also highly visible, making it easier for drivers to spot you.

HEADPHONES & CELL PHONES:

Headphones are prohibited while riding. Safety is our primary concern.

The use of cell phones while cycling is illegal according to the Michigan Vehicle Code. Please stop your bike and pull off the road before using your cell phone. You will find that cell coverage is often spotty or absent on tour.

CRASHES:

Unfortunately, crashes do occur. Should you witness or be involved in a crash, and experience a medical emergency, call 911 immediately. Witnesses should stay with the crash victims until help arrives!

It is important that you fill out an incident report with tour staff as soon as appropriate. If a car is involved, get the driver's license and license plate numbers.

Most crashes occur as a result of bicyclists crossing wheels, running off the road, or encountering a road hazard. Follow these rules to minimize the risk:

- Read and follow the Safety Pledge
- Read "[What Every Michigan Bicyclist Must Know](#)".
- Remember that bicyclists must stop for all red lights and stop signs.
- If you stop for any reason, move completely off the road.
- Be constantly alert for road hazards.
- Communicate to other riders, pedestrians and motorists.
- Drink before you get thirsty. Eat before you get hungry. Rest before you get tired.
- Get yourself and your bike tuned up before the ride.
- If the weather is bad, or there is traffic around you, ride cautiously.
- Don't follow those in front of you too closely.

EMERGENCIES

MEDICAL EMERGENCIES

- Unconsciousness, Seizures, Headaches
- Sudden severe pain anywhere in the body
- Unusual behavior, Confusion, Hard to wake up
- Difficulty breathing, Shortness of breath
- Sudden dizziness, weakness, or change in vision
- Chest pain which radiates to another part of the body such as arm, shoulder, or neck
- Coughing up or Vomiting Blood
- Head or Spine Injury, Neck or Back pain
- Bleeding that will not stop, deep punctures or cuts, visible bone
- Severe Vomiting, Abdominal pain or pressure
- Choking
- Allergic reaction or Poisoning

IF YOU OR SOMEONE YOU'RE WITH IS EXPERIENCING A MEDICAL EMERGENCY CALL 911 FIRST.

Then follow their directions. Have another person call the SAG Coordinator and Tour Director.

ON ROUTE EMERGENCIES

CRASHES:

Should you witness or be involved in a crash, and experience a medical emergency, call 911 immediately. Witnesses should stay with the crash victims until help arrives!

- Do not move the injured person unless they are in danger
- **IN A MEDICAL EMERGENCY CALL 911 FIRST**
- Call the SAG Coordinator
- If a car is involved, get the driver's license and license plate numbers
- Do not step into the path of vehicle traffic
- Stay with the injured person and keep them calm
- Once an LMB SAG person is on the scene and you have filled out an incident report please continue on the route. Do not leave the scene until SAG staff releases you

Should you come upon a crash already being managed by SAG staff or first responders please do not loiter and as safe as possible continue along the route. If you feel unable to continue then dismount and walk to a safe place off the road. Call SAG if required.

SEVERE WEATHER:

Weather in Michigan can change quickly. The following guidelines may help in the event of severe weather, but circumstances may dictate otherwise. The tour staff will make every effort to inform riders of the recommended course of action via the text alert system and if possible, in person.

- Lightning or Thunder Storms
 - Take immediate shelter at a house or any available structure.
 - If no shelter is available, find a low point clearing away from trees and metal. Lightning usually strikes the tallest objects and, sometimes, whatever is hiding underneath them.
 - Once you find a clearing, squat on your toes. Have as little of your body touching the ground as possible.
 - You can choose to stay on your bike. It's not the safest place to be, but sometimes it's the safest place at the time. Rubber tires won't protect you from lightning.
- Tornado Watch - conditions are favorable for funnel cloud formation. Be aware and prepared to take action to find suitable indoor shelter. Monitor local weather until the Tornado Watch has expired.
- **Tornado Warning - rotation has been spotted or a funnel has touched down. Seek shelter immediately.**
 - Avoid auditoriums, upper floors of buildings, trailers and parked vehicles
 - Move to an underground shelter, basement, interior corridor, tunnel, underground parking lot or subway. If none is available, a small, windowless interior room or hallway on the lowest level of a sturdy building is the safest alternative.
 - Stay away from windows and cover yourself with a rug for protection against flying glass and debris
 - If you're out in the open, lie flat in a ditch or other low-lying area and protect your head; stay away from trees, poles or overhead lines
 - If you're driving, drive at right angles to the tornado's path; if you can't escape it, get out of the vehicle and seek a low-lying area
 - **Do not** take shelter under highway overpasses. Tornadoes can create a vacuum effect and suck you out.

CRIMINAL ACTIVITY

IF YOU OR SOMEONE YOU ARE WITH WITNESS OR ARE VICTIMS OF A CRIME, SEEK SAFETY FIRST, THEN CALL 911.

Then, call the SAG Coordinator and if possible the Tour Manager. Witnesses should stay with the victims until help arrives! It is important that you fill out an incident report with tour staff as soon as appropriate. If a car is involved, get a vehicle description and license plate numbers.

CAMPSITE EMERGENCIES:

IF YOU OR SOMEONE YOU'RE WITH IS EXPERIENCING A MEDICAL EMERGENCY CALL 911. Then contact the Medic or Tour Manager.

EVACUATION

PA announcements and text alerts will alert participants to prepare for evacuation. Please follow these directions or go immediately to the Service Desk for instructions.

SEVERE WEATHER

PA announcements and text alerts will direct participants to enter the emergency shelter if available. Details will be announced from the Service Desk. In the event of lightning, move indoors and wait for the storm to pass.

ISSUES & ILLNESS

FOR NON-EMERGENCIES Participants are encouraged to speak with the tour staff in the event of any personal or medical issues.

PERSONAL

Any participant who has a personal concern on any issue should bring these concerns to the attention of an LMB staff member. If the concern continues, resolve the matter with the tour director.

BEHAVIORAL

Any participant who has a concern about inappropriate behavior of any participant or LMB staff should bring their concerns to the attention of the tour director.

MEDICAL

If you are experiencing a non-emergency medical issue or feeling ill, notify the tour staff immediately. Participants may be referred to local medical facilities if treatment is needed.

INFECTIOUS DISEASE

LMB has worked for decades on controlling the spread of contagious food borne infectious disease. The Covid-19 pandemic reminded everyone of how disruptive an infectious disease can be to a population. LMB tours are conducted outdoors but also in close personal quarters, especially where participants are showering, using the bathroom, and accessing food and water. In addition, our tours occur in a community environment with a large group of individuals from across the globe. To protect our participants, the communities we visit, our volunteers and employees, and everyone's families, we've adopted procedures set forth by the Michigan Department of Natural Resources in state parks. Please take a moment to review and implement the information below and help us protect you and those around you with a few simple hygiene requirements:

- Wash your hands with soap frequently.

- Always wash before eating and after using the toilet.
- Remove cycling gloves and use hand sanitizer prior to entering any SAG stop or food service area.
- Allow our staff to fill your water bottles and serve your selected food items at SAG stops and food service areas.
- Use hand sanitizer upon exiting a SAG stop or using any tour provided items such as floor pumps, bike tools, etc.
- Don't share water bottles, food, dining utensils or drinking cups.
- Wear a mask indoors and outdoors when social distancing is not possible.
- Get a flu vaccine and the COVID-19 vaccine.

Some infectious diseases can be passed from person to person. Some are transmitted by insects or animals. Others are transmitted by consuming contaminated food or water. Signs and symptoms vary depending on the disease but often include fever, muscle aches, fatigue, coughing and diarrhea. Because of the physical nature of bicycling, an infected person may not realize that the cause of their symptoms is from an organism and not over-exertion or change of locale. Most infectious diseases are spread by having contact with an infected person, consuming contaminated food or water, touching contaminated surfaces and then touching your mouth, nose or eyes with unwashed hands.

Food Contamination

While other tours have had outbreaks caused by food contamination, LMB has never had a reported incidence of food-borne illness. LMB works hard to prevent food contamination by working with professional caterers and requiring riders to practice personal hygiene. Frequent hand washing and sanitizing is essential. Riders are required to use hand sanitizer at all SAG stops and before entering each meal service area. Those who refuse to do so will not be served.

If you begin exhibiting symptoms of food-borne illness (abdominal cramps, vomiting, diarrhea, severe headache etc.), notify the tour staff immediately. If you do become sick, try to isolate away from other participants to prevent passing it to them.

Direct/Indirect Contact

Direct contact occurs when a disease-causing organism is passed from one person directly to another by contact. Examples are contacting infected bodily fluids, feces, and skin to skin contact. The common cold, chicken pox, hepatitis, measles, and previously discussed food borne disease can be transmitted in this manner.

Disease causing organisms can also be passed by indirect contact or respiratory droplets. They may linger in the air or on objects like a tabletop, light switch, dispensers, faucet or toilet handles and door knobs. Inhaling droplets or touching a contaminated item and then touching

your mouth, nose or eyes with unwashed hands may transmit the disease to you. Diseases like flu, meningitis, and Covid-19 can be transmitted in this manner.

If you begin exhibiting symptoms (severe headache, sore throat, fever, fatigue, body ache, runny nose, etc.), notify the tour staff immediately. If you do become sick, try to isolate away from other participants to prevent passing it to them.

Priority Text Alerts

At Orientation all participants will be asked to join our text alert system. LMB uses this system to transmit alerts on weather, route changes or closures, road conditions and other urgent safety issues. This is a free service but standard text messaging rates may apply. Sign up by texting MUP2022 to 84483 during or after orientation.

This will be used exclusively for the MUP tour and will not add you to any other mailing lists. To learn more please visit www.LMB.org/alerts

LMB SAFE CYCLING COURSE

Join us in the Ore Dock Brewing Company's Community Room at 1:30pm on July 11th for the LMB's Safe Cycling Course, we will cover the importance of visibility and predictability, lane positioning, intersection safety, how to communicate with all modes of traffic, and Michigan Motor Vehicle Laws. There is no cost to attend. **Admission is free!**

After covering these topics, you will gain confidence and feel more secure when riding on the road by:

- Understanding Michigan traffic laws as they pertain to bicyclists.
- Learning skills which allow you to safely share the road with motor vehicles.
- Acquiring new skills to communicate with all modes of traffic.
- Understanding ways to be seen on the roadway with lights, reflective gear, lane placement, and more!

This interactive class is presented by Jeff Carek, our Education Director. Jeff is an avid cyclist who also happens to have retired from law enforcement. He combines his experience and expertise to bring life to this course.

LMB SAFETY PLEDGE

I WILL RIDE SAFELY BY:

- Wearing a helmet every time I ride.
- Obeying all Michigan traffic laws.
- Riding predictably by maintaining my line, avoiding sudden stops and direction change.
- Riding as far to the right as is safely practicable.
- **Never riding more than two abreast.**
- Riding single-file whenever there is vehicle traffic behind me.
- Announcing myself as I pass other riders, and yielding to those who pass me.
- Staying well off the road whenever I stop.
- Being vigilant at all intersections.
- Using caution when riding over gravel, sand, rough roads, in rain/fog, or down steep hills.
- Eating and drinking frequently.
- Signaling other riders about dangerous road conditions.

I WILL RIDE DEFENSIVELY BY:

- Being 360 degrees aware of riders, vehicles, pedestrians, and road hazards.
- Using common sense and courtesy towards motorists and other cyclists.
- Communicating my intentions to drivers by signaling and maintaining eye contact.
- Communicating with other riders. Riding predictably by maintaining my line, avoiding sudden stops and direction change, and maintaining a comfortable follow distance at all times.
- Wearing bright clothing so that I am visible.
- Riding with proper lighting from 30 minutes before sunset to 30 minutes after sunrise.
- Being alert for opening car doors.
- Controlling speed and being extra vigilant during downhills.
- Using caution around aggressive dogs: Some suggestions are to stop pedaling and coast, yell "no" in a commanding voice, or squirt them with your water bottle. If forced off your bike, keep the bike between you and the dog. Report the incident to authorities.

I WILL FOLLOW THE TOUR CODE

LMB works to make every tour fun, interesting and memorable. How each individual defines those qualities varies. The Tour Code will help make the tour live up to your expectations.

I WILL -

- Come ready to ride the miles. Be able to ride 65 hilly miles for 7 days in the middle of summer.
- Experience bike-joy. That feeling of freedom, independence and exploration that all bicyclists share.
- Bring the curiosity of a child and the wisdom of a Sage.
- Respect the privacy, space, property and beliefs of everyone.
- Uphold the law.
- Help others.
- Enjoy myself, but not at the expense of others.
- Be Kind.

REMOVAL FROM PARTICIPATION

The Tour Manager may eject any participant if they believe that persons continued participation in the tour may endanger or be detrimental to themselves, others or LMB.

Participants who are ejected from the tour must immediately leave the campsite and route. Ejected participants forfeit all paid fees and are responsible for their own transportation and accommodations from the moment they are removed from the tour. The Tour Manager may at their discretion provide additional assistance to assure the safety of the ejected participant.

A few examples of why participants have been removed from the tour:

- Violation of the rules set forth in this document.
- Violation of local, state or federal laws and ordinances.

- Repeated inability or unwillingness to complete the daily mileage within route hours for any reason.
- Harassment or disruption of participants or staff.
- Failure to obey directions of tour staff.

By signing the LMB Release and Waiver, you agree to obey the Safety Pledge and follow the Tour Code.

CANCELLATION AND REFUND POLICY

PERSONAL CANCELLATION:
