

2023 MICHIGAN RIDE CALENDAR

wish kid Rosanna

Make-A-Wish[®]
MICHIGAN

Join us for the *most inspirational*
weekend of the year at the
36th Annual Wish-A-Mile[®]
Bicycle Tour.

Take your fitness journey to the next level while helping grant life-changing wishes for Michigan children battling critical illnesses. Wish-A-Mile is Make-A-Wish[®] Michigan's largest fundraising event that brings together hundreds of cyclists who ride across Southwest Michigan to help make wishes come true.

Whether you have logged thousands of miles on your bike or you are new to cycling and looking for a challenge, Wish-A-Mile offers something for everyone.

THREE ROUTES. ONE MISSION.

July 28 - 30, 2023

300-Mile Route

Three-day, 300-mile ride

200-Mile Route

Two-day, 200-mile ride

WHY WISH-A-MILE IS THE RIDE FOR YOU

- Fully supported tour through Southwest MI that includes route support, medics, meals, massage therapists and more!
- Fundraising coach to help you achieve your fundraising goals
- Training coaches available
- Break stops every 10-15 miles
- Community support
- Inspiring wish kids to motivate you along the way

Have questions? Please contact Kedrin Gall at 810-522-6510 or WAM@michigan.wish.org

MICHIGAN RIDE CALENDAR 2023

The Michigan Ride Calendar is a signature annual publication of the League of Michigan Bicyclists (LMB) and the essential resource for cycling enthusiasts in Michigan and beyond. It is made possible by the support of LMB members, including shops, clubs and organizations (see p. 14), donors, and advertisers.

The online version of the Michigan Ride Calendar is regularly updated by event organizers. View the most current listings at [LMB.org/ridecal](https://lmb.org/ridecal).

LMB TOURS & EVENTS

LMB Tours underwrite the education and advocacy work of LMB. Our fully supported tours are designed to show off the very best bicycling in Michigan. Join us in 2023 as we cycle Michigan's picturesque Great Lakes' shorelines, canopied forest roads, and through historic and friendly towns. Tour proceeds fund LMB's Micro-Grant Program and support advocacy and education efforts, including our *What Every Michigan Bicyclist Must Know* booklets. Look for events with the LMB label to support making Michigan bicycling better!

In 2023, we'll start the season at the Quiet Adventures Symposium in East Lansing on March 4. We are excited to bring back HUB Fest on June 10 in Tecumseh, a community bike party with a little of everything for everyone! With a little bit of grit and some all-out effort, MUP could be just what you're looking for, starting in Manistique on July 8. Explore Michigan's vast multi-use trail system on the Michigander, departing from Ann Arbor on July 22. Feel the miles slip away as you pedal tree-lined roadways past breathtaking lakeshore views on Shoreline West, from Montague to Mackinaw City on Aug. 5-12. Finally, roll into fall on a hotel-based lakeside tour with Sunrise Adventure in Alpena, Sept. 8-10.

\$1 PER RIDER EVENTS

LMB's \$1 Per Rider Program (\$1PR) gives cycling events a simple way to support LMB's mission. These events pledge to donate \$1 to LMB for every rider that registers. Your participation helps fund important LMB projects. They are highlighted in blue throughout the publication and listed on page 3. We'd like to recognize **DALMAC** as our first-ever \$2 Per Rider supporter! Thanks for your generous contribution!

ABOUT THE LEAGUE OF MICHIGAN BICYCLISTS

The League of Michigan Bicyclists (LMB) is a non-profit, 501(c)(3) statewide membership organization with a mission to improve life through bicycling.

We envision a state where bicycling makes life better for everyone; serves as an everyday option for more people to commute, get around and have fun on roads and trails; and connects us to the natural world and each other. Our communities benefit through healthier people and stronger economies. Our transportation system becomes more equitable and environmentally sustainable. Our streets and trails are safe and accessible to people of every age, race, gender, ability, and economic status.

LMB supports and leads efforts to preserve and rebuild safe neighborhoods and streets. We partner and cooperate with state and local agencies and other like-minded groups to encourage various cycling programs and projects. LMB seeks to educate bicyclists, motorists, engineers, and law enforcement. Our effort to do this includes the development of the award winning *What Every Michigan Bicyclist Must Know* booklet, training programs for law enforcement, and resources for parents, bicycle commuters, and everyone who rides a bike.

The easiest way to get involved in LMB is by becoming a member or making a donation. Each supporter helps to amplify our voice and political clout, moving us towards a more bicycle-friendly Michigan.

The Michigan Ride Calendar is mailed to all LMB members. This publication is also available at MDOT Welcome Centers, Convention & Visitors Bureaus, bicycle shops, and select events.

Event Submissions: To appear in the Michigan Ride Calendar, event organizers must submit their bicycle-related events online every fall. To ensure your event appears in the 2024 publication, submit your event at [LMB.org/ridecal](https://lmb.org/ridecal) before October 31, 2023.

Advertising: Reach more than 40,000 bicycle enthusiasts! Learn more about advertising opportunities in LMB publications by contacting us at (517) 334-9100.

Your membership ensures that a full-time bicycle advocacy group is working to look out for your interests, keep roads and trails safe and open to bicyclists of all kinds, and establish a more informed government and public. Membership joins you with bicyclists throughout Michigan as part of a proven, effective, grassroots advocacy group – whether you are a racer, recreational rider, mountain biker, tourist or commuter.

If you've spent any significant amount of time on a bicycle lately, you've seen what a difference it can make – in your mood, in your health, and in your connection to the world around you.

Bicycling is one of the easiest ways to take down the barriers that separate us from each other and the natural beauty of our beloved state. It strengthens our legs and hearts, opens our eyes, and keeps our air clean. And with your support, there's even more we can do.

A bicycle wheel is different from a car wheel. It's not a single piece – it's a hub, a rim, and many, many spokes holding the whole assembly together. Without the spokes, it falls apart.

Will you be a spoke?

LMB IS WORKING TO:

- Promote acceptance and enjoyment of bicycling.
- Advocate for safe and healthy transportation and recreation.
- Educate to enhance safety and awareness.

MEMBER BENEFITS INCLUDE:

- Representation on bicycle-related legislation and policies
- Copy of annual Ride Calendar (before general public)
- Subscription to *Michigan Bicyclist Magazine*
- Early registration access and more flexible cancellation on LMB Bicycle Tours
- Discounts on LMB Bicycle Tours and merchandise
- Advertising discounts in our magazine and Ride Calendar
- E-News updates and action alerts
- Access to LMB staff
