

2024 MICHIGAN RIDE CALENDAR

THE ESSENTIAL GUIDE TO ORGANIZED BICYCLING EVENTS

LEAGUE OF MICHIGAN BICYCLISTS

410 S Cedar St - Suite A, Lansing, MI 48912 | 517-334-9100 | office@LMB.org | www.LMB.org

Dear friends,

Our annual Ride Calendar is my favorite reminder that the Michigan bicycling community is vibrant and represents people who enjoy riding their bikes in so many ways. The events you'll see in the pages that follow will give you the opportunity to ride your bike on a variety of surfaces and over a variety of distances. From singletrack to the dirt-covered thrill of local gravel events, from casual social rides to multi-day tours, there really is something for everyone.

I love bike events. They're always a chance to meet new people, push myself out of my comfort zone, and see all of the sights of the best state in the country (I'm only a little biased!). Whether you're fast or not, whether you're competitive or not, I hope you'll find an event you'd like to attend, even if participating in events is something new for you.

As you may know, we put on events that support our advocacy efforts and get more people on bikes. Be sure to check out our new mountain bike skills clinics that LMB is offering this year. Take a look at MUP and Shoreline, the week-long tours offered by LMB. MUP will highlight the best of the Upper Peninsula, and Shoreline will have a **new route this year**, following the coast of Lake Michigan from Alpena to Traverse City.

You'll notice that some of the events are highlighted. These events are our Dollar Per Rider donor events and they choose to support the advocacy and education work that we do at the League of Michigan Bicyclists. **They donate a portion of each rider's registration fee to LMB because they value our advocacy and policy work to make Michigan bicycling better for everyone.**

In the last few years, we've accomplished so much, but we couldn't do it without the support from our members, donors, sponsors, tour riders, and Dollar Per Rider donor events. We're looking ahead to 2024 and all of the ways we'll be able to work together to accomplish a safer and better Michigan for bicyclists, **starting with Advocacy Day at the State Capitol on May 14:**

- Safer speed limits
- Better statewide data and strategy for improved bike infrastructure
- Vulnerable Roadway User protections, similar to protections for highway workers and tractor operators
- Education for drivers, bicyclists, and law enforcement officers on safety, etiquette, and bicycling laws
- DNR policy for mountain bike trails, including e-bike access and equestrian conflicts
- Better Bicycling Grants and Trailblazing Grants for worthy projects across the Michigan bike community

If you believe in the power of the bicycling community, consider a monthly or one-time donation to LMB using the QR code. We can't do this without you.

Hope to see you on a bike this year!

Nicky Bates
Development and Membership Director
League of Michigan Bicyclists

IMPROVING LIFE THROUGH BI

MICHIGAN RIDE CALENDAR 2024

The Michigan Ride Calendar is a signature annual publication of the League of Michigan Bicyclists (LMB) and an essential resource for bicycling enthusiasts in Michigan and beyond. It is made possible by the support of LMB members, including shops, clubs and organizations (see p. 22), donors, and advertisers.

The online version of the Michigan Ride Calendar is regularly updated by event organizers. View the most current listings at [LMB.org/ridecal](https://lmb.org/ridecal).

LMB EVENTS

LMB tours underwrite the education and advocacy work of LMB. Our fully supported tours are designed to show off the very best bicycling in Michigan. Join us in 2024 as we cycle Michigan's picturesque Great Lakes shorelines, canopied forest roads, and historic and friendly towns. Tour proceeds fund LMB's Better Bicycling Grant and Trailblazing Grant programs and support advocacy and education efforts, including our *What Every Michigan Bicyclist Must Know* booklets.

In 2024, we're offering a series of **Fundamental Mountain Bike Skills Clinics** across the state (see p. 16), **Advocacy Day** in Lansing on May 14, **MUP** July 5-12 and **Shoreline** from Alpena to Traverse City Aug. 3-10. We hope you'll join us!

\$1 PER RIDER EVENTS

LMB's \$1 Per Rider Program (\$1PR) gives cycling events a simple way to support LMB's mission. These events pledge to donate \$1 to LMB for every rider that registers. Your participation helps fund important LMB projects. They are highlighted in blue throughout the publication and listed on page 3. We'd like to recognize **DALMAC** as a \$2 Per Rider supporter and **Bike Tour Vacations** as \$5 Per Rider! Thanks for your generous contribution!

ON THE COVER

Our cover artwork is a series of three linocut prints by Brian Lee Fritz: "Send it!", "Thursday Night" and "Century Club", which represent mountain bike, gravel, and road riding. Handmade prints are available for purchase from the artist at brianleefritz.com

ABOUT THE LEAGUE OF MICHIGAN BICYCLISTS

The League of Michigan Bicyclists (LMB) is a non-profit, 501(c)(3) statewide membership organization with a mission to improve life through bicycling.

We envision a state where bicycling makes life better for everyone; serves as an everyday option for more people to commute, get around and have fun on roads and trails; and connects us to the natural world and each other. Our communities benefit through healthier people and stronger economies. Our transportation system becomes more equitable and environmentally sustainable. Our streets and trails are safe and accessible to people of every age, race, gender, ability, and economic status.

LMB supports and leads efforts to preserve and rebuild safe neighborhoods and streets. We partner and cooperate with state and local agencies and other like-minded groups to encourage various cycling programs and projects. LMB seeks to educate bicyclists, motorists, engineers, and law enforcement. Our effort to do this includes the development of the award winning *What Every Michigan Bicyclist Must Know* booklet, training programs for law enforcement, and resources for parents, bicycle commuters, and everyone who rides a bike.

The easiest way to get involved in LMB is by becoming a member or making a donation. Each supporter helps to amplify our voice and political clout, moving us towards a more bicycle-friendly Michigan.

The Michigan Ride Calendar is mailed to all LMB members. This publication is also available at MDOT Welcome Centers, Convention & Visitors Bureaus, bicycle shops, some libraries, and select events.

Event Submissions: To appear in the Michigan Ride Calendar, event organizers must submit their bicycle-related events online every fall. To ensure your event appears in the 2025 publication, submit your event at [LMB.org/ridecal](https://lmb.org/ridecal) before October 31, 2024.

Advertising: Reach more than 40,000 bicycle enthusiasts! Learn more about advertising opportunities in LMB publications by contacting us at (517) 334-9100.

LMB

BIKE AND TRAIL ADVOCACY DAY 2024

Start: Lansing - Michigan Capitol
Join us at the State Capitol for a unique opportunity for cyclists of all abilities - casual riders and die-hards alike - to converge on the State Capitol and speak with one voice to help make Michigan bicycling better. The most powerful way to reach your representative and senator is to meet with them in person, as a resident of their district, and share what matters most to you. All of us can move the needle when we work together. Your voice is needed in Lansing!

If you've spent any significant amount of time on a bicycle lately, you've seen what a difference it can make – in your mood, in your health, and in your connection to the world around you.

Bicycling is one of the easiest ways to take down the barriers that separate us from each other and the natural beauty of our beloved state. It strengthens our legs and hearts, opens our eyes, and keeps our air clean. And with your support, there's even more we can do.

A bicycle wheel is different from a car wheel. It's not a single piece – it's a hub, a rim, and many, many spokes holding the whole assembly together. Without the spokes, it falls apart.

Will you be a spoke?

LMB IS WORKING TO:

- Promote acceptance and enjoyment of bicycling.
- Advocate for safe and healthy transportation and recreation.
- Educate to enhance safety and awareness.

MEMBER BENEFITS INCLUDE:

- Representation on bicycle-related legislation and policies
- Copy of annual Ride Calendar (before general public)
- Subscription to *Michigan Bicyclist Magazine*
- Discounts, early registration access, and more flexible cancellation on LMB Bicycle Tours
- Discounts on LMB merchandise
- Advertising discounts in our magazine and Ride Calendar
- E-News updates and action alerts

MUP – July 5-12, 2024

Bring a little bit of grit and some all-out effort, and MUP could be just what you're looking for. The central U.P. route hits towns like Marquette, Manistique, and Munising with side trips to Pictured Rocks and other attractions. We've mixed in some gravel and mountain bike options too!

RideMUP.org

SHORELINE – Aug. 3-10, 2024

Michigan's Great Lakes have a unique shoreline experience that can't be matched anywhere else in the world. Feel the miles slip away as you pedal tree-lined roadways past breathtaking Lake Huron and Lake Michigan views. Enjoy local wineries, lighthouses, farm stands, crystal-clear lakes, & more!

RideShoreline.org
