

HUB Fest Rider Guide 2026

Check-In & Day-Of Registration

Check-in is available at the location listed below. Unregistered riders may still register for all routes that morning. You only need to check in once:

- Where: Cal-Zorn Park, 307 W. Russell Rd Tecumseh, MI 49286
- When: Aug. 22, 2026- 8:00 a.m. to 11:00 a.m.

Parking- Free parking is available at two different locations:

- Enter the lot at Cal-Zorn Park off Russell Rd. About 60 spots are available, and the main bathroom building adjoins this parking lot.
- You can also find street parking along Russell Rd. and in town all around Tecumseh. ●

PLEASE NOTE: Do not park in the lot off N. Raisin Center Highway. This is the start and finish line for the routes and home base for the expo area and music.

FAQs

Q: What if I do not want to start at the mass start time?

A: You may miss out on support and SAG for the route you are on. All SAG/aid stations are planned out based on the start times. Beginning at the mass start time allows our awesome, hard-working volunteers to provide the best rider support possible. Please plan to begin your ride at the mass-start time for your route.

Q: Will there be bike parking at Cal-Zorn Park?

A: Yes! Along the fences in the park.

Q: Will there be a place available to charge my e-bike at Cal-Zorn Park?

A: Yes! We will have power available if you need to top off your batteries but it will be limited so plan ahead and come with your gear fully charged.

Q: Will there be any vegetarian / vegan / gluten-free options for food?

A: Yes, see menu posted on the [HUBFest webpage](#).

Q: Will there be non-alcoholic beverage options?

A: Yes, this is an alcohol free event!

Still have questions or concerns? Please email events@lmb.org and someone will follow up with you.
